

# PROJECT APPLICATION FORM

## CUSTOMER DATA

Date:

Company name:	<input type="text"/>		
Represented by:	<input type="checkbox"/>	<input type="text"/>	
Street:	<input type="text"/>		
ZIP code + City:	<input type="text"/>	<input type="text"/>	
Country:	<input type="text"/>		
Tel / Fax:	<input type="text"/>	<input type="text"/>	
Email:	<input type="text"/>		

## GENERAL PROJECT DATA

Project name:	<input type="text"/>		
Project location:	<input type="text"/>	Country:	<input type="text"/>
Nearest city / village:	<input type="text"/>	Province:	<input type="text"/>
Owners name:	<input type="text"/>		
Number of turbines:	<input type="text"/>		

## SITE CHARACTERISTICS

Coordinates: (Google Earth)	<input type="text"/>							
Altitude:	<input type="text"/>							
Annual wind speed:	<input type="text"/>	m/s in	<input type="text"/>	height	<input type="text"/>			
Ambient temperature:	Min.:	<input type="text"/>	°C	Max.:	<input type="text"/>	°C		
Distance to electrical grid:	<input type="text"/>	Existing Transformer:	<input type="checkbox"/>	Size:	<input type="text"/>	kVA		
Grid data:	Voltage level:	<input type="text"/>	Frequency:	<input type="text"/>				
Site accessible for oversized trucks:	yes:	<input type="checkbox"/>	no:	<input type="checkbox"/>	Telephone (land line):	<input type="checkbox"/>	GSM:	<input type="checkbox"/>

**TURBINE CHARACTERISTICS**

Rated Output:

Tower type:

Hub height:

Other important characteristics:

**PROJECT STATUS**

Ready:

Expected Date:

Building permit

Environmental permit

Environmental impact study

Other permits:

Grid connection offer / agreement

Grid connection ready established

Power Purchase Agreement signed

Financial close

Which documents are necessary to obtain permission:
